6 of a multi-jurisdictional electronic toll collection system that
7 is in operation on the effective date of this amendment"

8 The motion was ______ agreed to.

SYNOPSIS

Turnpike Tolling Methods

R.C. 5537.04

Requires that turnpike tolls only be collected by manual
methods approved by the Ohio Turnpike and Infrastructure
Commission or by electronic tolling equipment used for purposes
of a multi-jurisdictional electronic collection system (E-ZPass).
