SYNOPSIS

Northern Ohio Infrastructure Projects

R.C. 5537.02, 5537.03, 5537.18, and Section 755.___

Requires infrastructure projects funded through the Ohio Turnpike and Infrastructure Commission be located in Northern Ohio; creates a Northern Ohio Turnpike Study Committee consisting of all members of the General Assembly who represent a district in which is located or through which passes a portion of the Ohio Turnpike and requires the Committee to establish a definition of "Northern Ohio" for purposes of infrastructure funding; and requires the Ohio Turnpike and Infrastructure Commission to adopt the definition by rule.

Requires that 90% of the proceeds from the issuance of bonds for infrastructure projects be used for projects located in northern Ohio.

Specifies that infrastructure projects funded through the Ohio Turnpike and Infrastructure Commission must be used to supplement and not to supplant other state, local, or federal funds used for highway-related purposes in northern Ohio.

Requires the Commission to first use net revenues from the issuance of bonds to maintain, improve, repair, and operate the Ohio turnpike system in accordance with the existing standards that currently apply to the Ohio turnpike system.
