

## **POLITICAL RESEARCH INTERN, INNOVATION OHIO**

Reports to: Research Director

### **Summary**

Innovation Ohio is excited to offer a unique internship in Political Research leading up to the November 2022 general election. If chosen, a successful candidate will have the opportunity to gain hands-on experience in the development of original qualitative and quantitative research products in support of electoral campaigns at the state and federal levels.

### **Responsibilities**

- Reviewing and analyzing polling, focus groups and real-time message testing
- Conducting opposition research on candidates
- Monitoring various digital channels to provide insights into campaign strategies and tactics being used by candidates and campaign committees on both sides of the aisle

### **Qualifications**

- Excellent writing, presentation and communication skills are highly desired, as the material you produce will be used by our partners to inform their electoral work.
- Experience with Microsoft Office (or the Google G-Suite equivalents)
- Experience with Canva
- on-the-job training in proprietary and subscription-based research tools will be provided.

**Salary Level:** Potential stipend available, College/University Credit Available if Applicable

**Approximate Hours Per Week:** 12-18 hours per week. Ability to establish a regular, set schedule is preferred.

**Duration:** Beginning as early as February 2022 through at least November 2022, with the opportunity to continue internship beyond that timeframe

**Location:** Remote/virtual, with in-person opportunities in Columbus, Ohio given proper COVID-19 safety precautions.
